Landing Page: Home page

This is the website's welcome screen for the landing page.

Landing page: Scheduling

A screenshot of the TEEM landing page focusing on scheduling. It includes a heading 'Scheduling made easy!', a brief description, and three callout boxes: 'Progress Tracking', 'Meeting Organisation', and 'Assignment Management'. To the right is a screenshot of a Trello 'Team board' interface showing cards in 'To do', 'Doing', and 'Done' columns.

This gives us basic information about the Teem website and its usage.

Landing page: Features

Meet Efficiently

Say goodbye to the scheduling nightmare. TEEM provides a sophisticated scheduling tool that allows you to find the perfect meeting time for your team, no matter how scattered your schedules may be.

Manage Workspace

Manage Workspace

With TEEM, create workspaces and add team members, stakeholders, and collaborators all in one place. Keep everyone on the same page and ensure seamless collaboration.

Know what to do

TEEM's Dashboard offers a consolidated view of your workspaces; dive deeper into each workspace to monitor progress. Check off completed tasks, view upcoming milestones, keep task deadlines in sight for effective workload management, and keep your projects on the path to success.

Landing page: Footer

Login page

This page opens when we click Login. It prompts us to enter a valid email address if we enter the email in an invalid format. It shows an invalid password if we enter the wrong password according to the registered one.

Forgot Password Page

This is the webpage when we click forgot password on login page.
This will send a password recovery email.

Profile page

This profile page opens when we click the profile icon in the top right corner. This lets us edit our personal information and save the same.

Calendar Page

The screenshot shows a digital calendar interface for December 2023. At the top, there is a header with the word 'DTEEM' and navigation buttons for 'Dashboard', a profile icon, and other account-related icons. Below the header is a toolbar with arrows for navigating months, a 'today' button, and tabs for 'month' and 'week'. The main area is a grid representing the month of December. The days are labeled from 26 to 31. The days from December 3 to December 4 are highlighted with a yellow background, indicating a selected or active period. The days from December 31 to January 6 are visible at the bottom of the grid, suggesting a transition to the next month.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
26	27	28	29	30	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31	1	2	3	4	5	6

This calendar page opens when we click the profile icon in the top right corner. This displays any meetings scheduled on a calendar.

Create Workspace

The screenshot shows the 'Create Workspace' interface. At the top, there's a header with the TEEM logo, a 'Dashboard' button, and other navigation icons. The main title 'Let's build a Workspace' is centered above a form. The form fields include:

- Workspace Name:** A text input field containing 'Life saves'.
- Workspace Type:** A dropdown menu set to 'Healthcare'.
- Workspace Description:** A text area containing 'abcv'.
- Add member:** A blue button.
- Email:** An input field with 'viraj@gmail.com'.
- Role:** A dropdown menu set to 'Manager'.
- Continue:** A large orange button at the bottom.

The 'create workspace' page lets us create a new workspace for a new project and lets us also add additional members to the project by inviting them via an email.

Dashboard Page

This is the dashboard page which displays all our ongoing projects.

Project page

The screenshot shows a user interface for a project management or communication platform. At the top, there is a header with the word "DITTEEM" on the left and a "Dashboard" button on the right, accompanied by icons for calendar, plus, and profile. Below the header is a navigation bar with links for "Stream", "Your meet", "People", and "Your work". On the far right of the navigation bar are icons for a trash bin, video camera, and settings. The main content area features a large blue background with a white rectangular overlay. Inside this overlay, the text "health pulse" is displayed above "Rathva viraj". To the right of this text is a circular progress bar with a purple outline and a small percentage indicator.

This is an individual project page.

Create Task

The screenshot shows a 'Create a Task' dialog box overlaid on a project management interface. The dialog has a light blue header and body. It contains fields for Summary (Assignment 1), Type (Xyz), Status (To Do), Description (abc), and Deadline (December 4th, 2023). A 'Submit' button is at the bottom right, and an 'Assign' button with a plus icon is below it. The background features a blurred view of a dashboard with various cards and icons.
